

SUMARIDGE  
ESTATE WINES  
UPPER HEMEL-EN-AARDE VALLEY

# CORONAVIRUS SAFETY MEASURES

Although our doors have been shut, we have been working hard behind the scenes to get everything ready to safely reopen our tasting room, dining room and Lodge following South African and International guidelines.

**We are implementing the following measures as we re-open in accordance with local legislation:**

## Tasting & Dining room and outside public areas for you, our guests:

- In accordance with local legislation, both guests and staff must wear PPE when possible.
- Guests will be asked to have a contactless temperature check and guests will also be asked to provide their name and contact number.
- Come the spring we will increase the provision for outdoor dining while ensuring one metre plus between tables, including extended covered areas and additional heaters.
- We have put in place robust and systematic cleaning procedures of all areas and guest touch points.
- All team members have been fully trained on the new procedures. Their temperatures will be checked on arrival at work and this information will be logged. Staff members will not be allowed to work if there are any concerns.
- Antibacterial gel dispensers will be easily and readily available throughout the property. In key outside areas, there will also be mobile hand sanitization stations.
- Menus and Wine lists will be sanitized after each use. Cellar Door price lists and tasting notes will be disposable.
- Directional arrows will be in place to indicate a one-way systems where feasible. However, this will not affect our mobility impaired guests.

## The Lodge

- All laundry and towels will be washed and ironed too, and in accordance with, current advice regarding the correct temperatures.
- PPE will be used by all housekeepers.
- The rooms will be cleaned thoroughly following a guest's stay, with all hard surfaces then wiped down with sanitizing disinfectant
- If you stay for seven nights or longer, our housekeeping team will discuss your requirements for cleaning.

**Team Sumaridge would like to thank you all for your support and patience during these extraordinary times.**
